MOOSEHEART

MOOSEHEART is a residential childcare facility, located on a 1,000-acre campus 38 miles west of Chicago. The Child City is a home for children and teens in need, from infancy through high school.

Dedicated in July 1913 by the Moose Fraternal Organization, MOOSEHEART cares for youth whose families are unable, for a wide variety of reasons, to care for them. Some have lost one or both parents; others are living in environments that are simply not conducive to healthy growth and development. Whatever the reason, the men and women of the Moose, through unparalleled generosity and volunteerism, furnish the resources necessary to care for children in need. The Moose fraternity provides children with a wholesome home-like environment and the best possible training and education.

Children live in one of thirty residences designed like a spacious single-family residence. Each is home for six to twelve children. The heart of the program is Family Teachers – providing a consistent, systematic method of care, with emphasis on social-skills development – skills essential for success in later life.

It is Mooseheart's policy to admit qualified children who have a need. The Admissions Committee considers all applications of children in need.

MOOSEHAVEN

Moosehaven, known as the "City of Contentment," is located in Orange Park, Florida, only 15 miles south of downtown Jacksonville. Beautifully situated on a wide expanse of the St. Johns River in northeast Florida, the 72-acre campus has been home to members of the Loyal Order of Moose and Women of the Moose since 1922.

As a Continuing Care Retirement Community, Moosehaven offers independent living for seniors 65 years of age and older, and promotes an active lifestyle on a campus full of amenities and services. Moosehaven's Life Care Center provides all levels of health care.

Moosehaven offers two admission programs to meet the financial needs of the resident, the Traditional Retirement Program and Brandon Place at Moosehaven.

The Loyal Order of Moose and Women of the Moose, along with Moosehaven, continue to demonstrate their support and an abiding concern for the well being of Moose members and their spouses in their senior years. And, with the addition of new and exciting retirement options now available on campus, Moosehaven expands its commitment to provide a quality lifestyle with continued care to the entire fraternity.

MOOSE - Build Our Foundation

May 1, 2015 - April 30, 2016

Building our membership to make the Moose stronger at the core level will be our commitment during the "Moose - Build Our Foundation" campaign year.

Last year we emphasized the children at Mooseheart, our seniors at Moosehaven, and the communities in which we serve during the "Moose - Back to Basics" campaign.

This year we will focus on growing our lodges and chapters, our foundation, in order to support these core values.
